Message

It gives me great pleasure to see SGRR (PG) college steadily achieving greater heights. This has been possible largely due to the dynamic leadership of Prof. V.A. Bourai, the college Principal. I congratulate the entire staff of the college for scoring 'A' Grade in its 2nd cycle of Assessment and Accreditation in March 2016. It is also a matter of great pride that the college has been selected for CPE-2nd Cycle, thus joining the league of those 34 colleges in the entire country which have earned this distinction.

The college has always been reputed for its studies and its healthy working environment.

The college is ideally situated and with its serene surroundings, it provides the right ambience for the teaching and learning process to continue undeterred. We endeavour to make our students achievers in all fields. It is a matter of great satisfaction that they are getting placement offers from prestigious organisations.

I wish the college to continue progressing by leaps and bounds.

Semester System and Choice Based Credit System (CBCS) for Under Graduate Students

The Higher Education system of our country has been moving from the conventional annual system to semester system. The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. HNB Garhwal University introduced Choice Based Credit System (CBCS) in the PG courses in 2011-12 and UG courses from 2015-16.

Outline of Choice Based Credit System:

- 1. **Core Courses (CC):** A core course of a subject is the paper which should compulsorily be studied by a candidate as a core requirement.
- 2. **Elective Course:** Generally a course/paper which can be chosen from a pool of courses/papers which provide extended scope. These courses shall be of three type viz.:
 - 2.1 **Discipline Specific Elective (DSE) Course:** Elective paper(s) of a subject taken by the student.

- 2.2 **Dissertation / Project**
- 2.3 **Generic Elective (GE) Course:** Elective paper(s) of other subject which is not taken by a student as core subject. For example a student having sociology and political science as core subjects in I, II, III and IV semesters can opt for an elective paper of history in V semester and also in VI semester. These two papers of history shall be called Generic Elective papers/courses for that student.
- 3. **Ability Enhancement Courses (AEC):** These courses shall be of two types:
 - **3.1 Ability Enhancement Compulsory Courses** (AECC):
 - i. Environmental Science
 - ii. English/Hindi Communication.

These are mandatory to all disciplines.

3.2 Skill Enhancement Courses (SEC): These courses may be chosen from a pool of course/paper designed to provide value based and /or skill based knowledge from core subjects opted by the student.
